DISTRICT 4

Round 2023-2024 Supplemental Questionnaire

Applicant: Village of New Lebanon

Project Title: Blosser Street Reconstruction, Phase 4

Application Summary:

Briefly describe the project:

This project includes the continuation of the Blosser Street vicinity with the complete reconstruction of Franklin Street from Blosser to S. Church (600 feet).

This project will include the complete reconstruction of Franklin Steet including aggregate base, asphalt concrete, catch basins, curb and gutter, sidewalks, storm sewer, and waterlines including fire hydrants and water services.

The existing roadway is 29 feet wide, and the proposed roadway will generally follow the existing location allowing for modifications.

Other Factors

What other factors exist that make this project more important than other like projects?

The health and safety implications of the aging waterline will impact many various households, allowing for better pressure and fewer outages.

This project will directly continue the reconstruction efforts in the area of Blosser Street Phases 1, 2, and 3.
