4.3 Project Description

A: SPECIFIC LOCATION (Supply a written location description that includes the project termini; a map does not replace this requirement.) 2000 character limit.

The water main replacement will take place in Harrison Township within the right of way of Julia Ave between SR 48 and Heikes Ave, Heikes Ave between Julia Ave and Hornwood Dr, Hornwood Dr between Philadelphia Dr and Greenhill Rd, Greenhill Rd between Philadelphia Dr and Folsom Dr, Folsom Dr between Greenhill Rd and Knollview Pl, and all of Knollview Pl.

B: IDENTIFY THE PROBLEM (Describe the issue to be addressed) 2000 character limit.

There have been 9.3 breaks per 1000' on the water main that will be replaced. The main breaks cause a reliability issue due to outages. Breaks also require a boil notice to be implemented after service is back on line. This project will correct and replace any potential lead services within the area of the project.

C: PROJECT SCOPE (Describe the work to be completed) 2000 character limit.

This project will replace 6" cast iron water main on Julia Ave, Heikes Ave, Hornwood Dr, Greenhill Rd, Folsom Dr, and Knollview Pl, in Harrison Township with 8" ductile iron water main with all appurtenances. The project will also remove old fire hydrants and replace them with new hydrants with closer spacing. The project seeks to replace the water main which has excessive breaks and has exceeded it's useful life. The pipes being replaced have broken at a rate of 9.4/1000'.

The project Includes:

5,788 LF of 8" Ductile Iron Water
Main
14 Fire Hydrant Assemblies
92 Service Connections with 2,356'
of 1" Copper Pipe
13 8" Valves
6 Tapping Sleeves and Valves

Approximately 8,600' of streets will be milled and overlaid with asphalt

6.0 Attachments / Completeness review

Confirm in the boxes below that each item listed is attached (Check each box)

- x A certified copy of the legislation by the governing body of the applicant authorizing a designated official to sign and submit this application and execute contracts. This individual should sign under 7.0, Applicant Certification, below.
- x A certification signed by the applicant's chief financial officer stating the amount of all local share funds required for the project will be available on or before the dates listed in the Project Schedule section. If the application involves a request for loan (RLP or SCIP), a certification signed by the CFO which identifies a specific revenue source for repaying the loan also must be attached. Both certifications can be accomplished in the same letter.
- x A registered professional engineer's detailed cost estimate and useful life statement, as required in 164-1-13, 164-1-14, and 164-1-16 of the Ohio Administrative Code. Estimates shall contain an engineer's seal or stamp and signature.

A cooperative agreement (if the project involves more than one subdivision or district) which identifies the fiscal and administrative responsibilities of each participant.

Farmland Preservation Review - The Governor's Executive Order 98-IV, "Ohio Farmland Protection Policy" requires the Commission to establish guidelines on how it will take protection of productive agricultural and grazing land into account in its funding decision making process. Please include a Farm Land Preservation statement for projects that have an impact on farmland.

Capital Improvements Report. CIR Required by O.R.C. Chapter 164.06 on standard form.

- x Supporting Documentation: Materials such as additional project description, photographs, economic impact (temporary and/or full time jobs likely to be created as a result of the project), accident reports, impact on school zones, and other information to assist your district committee in ranking your project. Be sure to include supplements which may be required by your local District Public Works Integrating Committee.

7.0 Applicant Certification

The undersigned certifies: (1) he/she is legally authorized to request and accept financial assistance from the Ohio Public Works Commission as identified in the attached legislation; (2) to the best of his/her knowledge and belief, all representations that are part of this application are true and correct; (3) all official documents and commitments of the applicant that are part of this application have been duly authorized by the governing body of the applicant; and, (4) should the requested financial assistance be provided, that in the execution of this project, the applicant will comply with all assurances required by Ohio Law, including those involving Buy Ohio and prevailing wages.

Applicant certifies that physical construction on the project as defined in the application has NOT begun, and will not begin until a Project Agreement for this project has been executed with the Ohio Public Works Commission. Action to the contrary will result in termination of the agreement and withdrawal of Ohio Public Works Commission funding from the project.
