

**10/30/24 Posting Date**

**Consultant Selection Processes Completed**

**MOT-CR23-00.35, PID 122103, Preble County Line Road Bridge Rehabilitation Project**

The Montgomery County Engineer's Office has reviewed the Letters of Interest submitted in response to our solicitation for the MOT-CR23-00.35, PID 122103, Preble County Line Road Bridge Rehabilitation Project. After evaluating the responses, **A. Morton Thomas and Associates, Inc. (AMT & Associates)** received the highest rating of the letters submitted, and our office will soon enter contract negotiations to have their firm provide the services requested. If negotiation is unsuccessful, we will initiate negotiations with the next highest rated firm.

If you have any questions concerning the selection, please contact the project manager Cedric McGhee at [mcgheec@mcoho.org](mailto:mcgheec@mcoho.org) or (937) 225-4817.

**MOT- CR 32 04.26, PID122004 Intersection Improvements Project**

The Montgomery County Engineer's Office has reviewed the Letters of Interest submitted in response to our solicitation for the MOT- CR 32 04.26, PID122004 Intersection Improvements Project. After evaluating the responses, **Strand Associates, Inc.** received the highest rating of the letters submitted, and our office will soon enter contract negotiations to have their firm provide the services requested. If negotiation is unsuccessful, we will initiate negotiations with the next highest rated firm.

If you have any questions concerning the selection, please contact the project manager Jerry Sanor at [sanorj@mcoho.org](mailto:sanorj@mcoho.org) or (937) 496-7685.

Thank you for your continued interest in working with the Montgomery County Engineer's Office.
